Item No: **E-6**
Meeting Date: **April 7, 2021**

Item Title: Request for Public Hearing to consider text amendments to the Unified Development Ordinance pertaining to electric vehicle battery charging and battery exchange stations (Attachment E-6)

Item Summary:

Given the Town’s interest in the installation of an electric vehicle charging station, as well as recent private interest, Staff determined that amendment to the Town’s regulations concerning these facilities was necessary. Generally, there are some inconsistencies within current regulations with respect to terminology, where such charging facilities may be located based upon zoning district, and the standards that such facilities are subject to. The Board of Commissioners, at their March 3, 2021 meeting, authorized Staff to pursue amendments to the Unified Development Ordinance to address necessary changes.
