Dear Town of Nags Head,

The Outer Banks Association of REALTORS® (OBAR) would like to request the use of Nags Head Beaches for our annual Charity Surf Fishing Tournament on Friday, October 14, 2022.

We anticipate the participation of 35 teams with up to 6 fisherman per team. We will also have 5 judges. We are requesting 85 temporary permits for the date of October 14th.

This will be the 25th annual Surf Fishing Tournament and will benefit our Scholarship and Disaster Relief Funds. We have given 175 Scholarships to local Seniors for a total of \$265,631. We've also Had the privilege of helping hundreds of locals in need with our Disaster Relief Funds over the years.

We appreciate your consideration and support for this fundraiser that not only helps our REALTOR® members but the local community as well.

Sincerely,

Karen Pierce | Membership Services Director
