**Subject:** Request for Price Increase for Recycling Services

Good afternoon, Andy.

I hope all is well with you!

I am sending notification of the annual PI for the franchise agreement for Nags Head recycling services. According to Section XII.A. of the contract (attached) it takes 150 days to get a price increase approved and implemented.

The CPI-U for Garbage and Trash increased 6.1% in December 2022 compared to the previous 12 months. There is only 5.7% left on the contract currently since we put through 4.3% last year and there is a 5% cap per year. The new price adjustment is \$.73 and the new price is \$15.33 per unit per month with the 5% increase. That leaves us with .7% for next year.

Let me know if you have any questions or need more information.

Thanks Andy!

Victoria Norcini
