III. REAL PROPERTY

Title to Real Property: Title to real property acquired or improved with ARP/CSLFRF funds vests with the Town of Nags Head. 2 CFR 200.311(a).

Use of Real Property: Real property acquired or improved with ARP/CSLFRF funds must be used for the originally authorized purpose as long as needed for that purpose, during which time the Town of Nags Head must not dispose of or encumber its title or other interests. 2 CFR 200.311(b).

Insurance of Real Property: The Town of Nags Head must provide the equivalent insurance coverage for real property acquired or improved with ARP/CSLFRF funds as provided to property owned by the Town of Nags Head. 2 CFR 200.310.

Disposition of Real Property: When the Town of Nags Head no longer needs real property purchased with ARP/CSLFRF for ARP/CSLFRF purposes, the Town of Nags Head must obtain disposition instructions from US Treasury. The instructions must provide for one of the following alternatives:

1. The Town of Nags Head retains title after compensating US Treasury. The amount paid to US Treasury will be computed by applying US Treasury's percentage of participation in the cost of the original purchase (and costs of any improvements) to the fair market value of the property. However, in those situations where the Town of Nags Head is disposing of real property acquired or improved with ARP/CSLFRF funds and acquiring replacement real property under the ARP/CSLFRF, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.
2. The Town of Nags Head sells the property and compensates US Treasury. The amount due to US Treasury will be calculated by applying US Treasury's percentage of participation in the cost of the original purchase (and cost of any improvements) to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the ARP/CSLFRF award has not been closed out, the net proceeds from sale may be offset against the original cost of the property. When the Town of Nags Head is directed to sell property, sales procedures must be followed that provide for competition to the extent practicable and result in the highest possible return.
3. The Town of Nags Head transfers title to US Treasury or to a third party designated/approved by US Treasury. The Town of Nags Head is entitled to be paid an amount calculated by applying the Town of Nags Head's percentage of participation in the purchase of the real

property (and cost of any improvements) to the current fair market value of the property. 2 CFR 200.311(c).

IV. EQUIPMENT

Title to Equipment: Title to equipment acquired or improved with ARP/CSLFRF funds vests with the Town of Nags Head. 2 CFR 200.313(a).

Use of Equipment: The Town of Nags Head must use equipment acquired with ARP/CSLFRF funds for the project for which it was acquired as long as needed, whether or not the project continues to be supported by the ARP/CSLFRF award, and the Town of Nags Head must not encumber the property without prior approval of US Treasury. 2 CFR 200.313(a)(1)-(2).

When no longer needed for the original project, the equipment may be used in other activities supported by a Federal awarding agency, in the following order of priority:

1. Activities under a Federal award from the Federal awarding agency which funded the original project, then
2. Activities under Federal awards from other Federal awarding agencies. This includes consolidated equipment for information technology systems. 2 CFR 200.313(c)(1).

During the time that equipment is used on the project for which it was acquired, the Town of Nags Head must also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, provided that such use will not interfere with the work on the project for which it was originally acquired. First preference for other use must be given to other programs or projects supported by US Treasury and second preference must be given to programs or projects under Federal awards from other Federal awarding agencies. Use for non-federally-funded programs or projects is also permissible. User fees should be considered if appropriate. 2 CFR 200.313(c)(2).

Noncompetition: The Town of Nags Head must not use equipment acquired with the ARP/CSLFRF funds to provide services for a fee that is less than private companies charge for equivalent services unless specifically authorized by Federal statute for as long as the Federal Government retains an interest in the equipment. 2 CFR 200.313(c)(3).

Replacement Equipment: When acquiring replacement equipment, the Town of Nags Head may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property. 2 CFR 200.313(c)(4).

Management of Equipment: The Town of Nags Head will manage equipment (including replacement equipment) acquired in whole or in part with ARP/CSLFRF funds according to the following requirements.

1. The Town of Nags Head will maintain sufficient records that include
 - a) a description of the property,
 - b) a serial number or other identification number,
 - c) the source of funding for the property (including the Federal Award Identification Number (FAIN)),

4. The Town of Nags Head will develop and implement adequate maintenance procedures to keep the property in good condition.
5. If the Town of Nags Head is authorized or required to sell the property, it will establish proper sales procedures to ensure the highest possible return, in accordance with state & federal law.

Insurance of Equipment: The Town of Nags Head must provide the equivalent insurance coverage for equipment acquired or improved with ARP/CSLFRF funds as provided to property owned by the Town of Nags Head 2 CFR 200.310.

1. Equipment with a per-item fair market value of less than \$5,000 may be retained, sold or transferred by the Town of Nags Head, in accordance with state law, with no additional responsibility to US Treasury;
2. If no disposal instructions are received from US Treasury, equipment with a per-item fair market value of greater than \$5,000 may be retained or sold by the Town of Nags Head. The Town of Nags Head] must establish proper sales procedures, in accordance with state law, to ensure the highest possible return. The Town of Nags Head must reimburse US Treasury for its federal share. Specifically, US Treasury is entitled to an amount calculated by multiplying the current market value or proceeds from sale by the ARP/CSLFRF funding percentage of participation in the cost of the original purchase. If the equipment is sold, US Treasury may permit the Town of Nags Head to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for its selling and handling expenses.
3. Equipment may be transferred to US Treasury or to a third-party designated by US Treasury in return for compensation to the Town of Nags Head for its attributable compensation for its attributable percentage of the current fair market value of the property.
