

Governing Body – Overview, Goals, and Objectives

Overview

Governing Body manages all expenditures related to Nags Head's Board of Commissioners, which is comprised of four commissioners elected to staggered four-year terms and a mayor elected by popular vote to a four-year term.

The Board of Commissioners is responsible for establishing policy, initiating legislation, and providing for the general welfare of Nags Head's residents and visitors. The Board meets the first Wednesday of each month and holds an additional mid-month recessed session on the third Wednesday of the month, as necessary.

During an existing or potential state of emergency, the mayor is empowered under G.S. 166A-19.31 to issue state of emergency proclamations to more effectively protect the lives and property of people within the town.

In addition, the mayor is also a member of the Dare County Control Group, which consists of the Chairman of the Dare County Board of Commissioners, the six municipal mayors, the superintendent of the Cape Hatteras National Seashore, and the Dare County sheriff. The Control Group provides direction and control during multi-jurisdictional emergencies and disasters such as hurricanes.
