

PUBLIC WORKS

OVERVIEW

Nags Head Public Works consists of: Administration, Public Facilities Maintenance, Fleet Maintenance, and Sanitation, discussed below, and Water Operations and Water Distribution, discussed in the Water Fund section of this budget.

Public Works Administration provides departmental coordination, technical assistance, and support for the department. Administration also manages citizen complaints; oversees budget preparation; generates all contracts and monitors the contract approval process; provides expenditure control; coordinates the expansion of the Town's waste diversion efforts; conducts studies and prepares reports; manages record keeping; provides coordination of personnel evaluation, discipline, safety, training and outfitting; and acts as a liaison to other departments.

Public Facilities Maintenance maintains the overall appearance and cleanliness of the Town's facilities and provides efficient, cost-effective general maintenance and repair of Town-maintained streets and rights-of-way. Additional responsibilities include asphalt and concrete repairs, roadway sweeping, multi-use path maintenance, street sign installation, specialty street pavement markings, right-of-way mowing, vegetation trimming and removal, and hauling and grading as needed.

Fleet Maintenance maintains, repairs, and services Town vehicles and heavy equipment. Efficient, cost-effective maintenance of this equipment is essential to providing uninterrupted service. The division also performs preventive maintenance through careful operation, timely servicing, systematic inspection, and detection/correction of potential equipment problems before major breakdowns occur. Successful equipment maintenance allows the departments to carry out their duties in a timely and cost-effective manner. In recent years, vehicle rehabilitation to increase service years has been added.

Sanitation collects commercial and residential refuse, including bulk items and brush, in addition to providing vegetative debris chipping and mulching.

GOALS

- Develop environmentally sensitive, cost-effective solutions to facilities, streets, right-of-way, multi-use path, and grounds maintenance issues.
- Promote maintenance and development of livable, well-maintained neighborhoods through roadway, right-of-way, and multi-use path maintenance that increases traffic safety, bicycle, pedestrian and wheelchair access, and meets infrastructure needs. Seek grant funds for access improvements and expansions.

PUBLIC WORKS

- Involve the public in decision-making that balances residential, tourism, and business needs, is fiscally responsible, and results in projects that support community needs and the Town's Land Use Plan.
- Continue to improve customer service and communications.
- Continue construction, beautification, and maintenance of the town's multi-use paths to encourage non-motorized travel to reduce greenhouse emissions.
- Create and implement an Adopt-a-Highway program, seeking volunteers who will actively clean the town's drainage systems, helping to reduce the number of trips for PW crews which reduces fuel consumption.
- Continue to assess and determine which lights can be converted to LED to reduce energy usage.

OBJECTIVES AND PERFORMANCE INDICATORS

Objective - Improve public service offerings through facility expansion and/or replacement.

Performance Indicators -

- Plan, organize, and monitor current and future public service offerings.

Objective - Maintain fiscal responsibility for the department.

Performance Indicators -

- Monitor expenditures in accordance with the budget to ensure cost effective purchasing.

Objective - Improve both the quantity and quality of information available to customers while actively pursuing efficiencies in operations.

Performance Indicators -

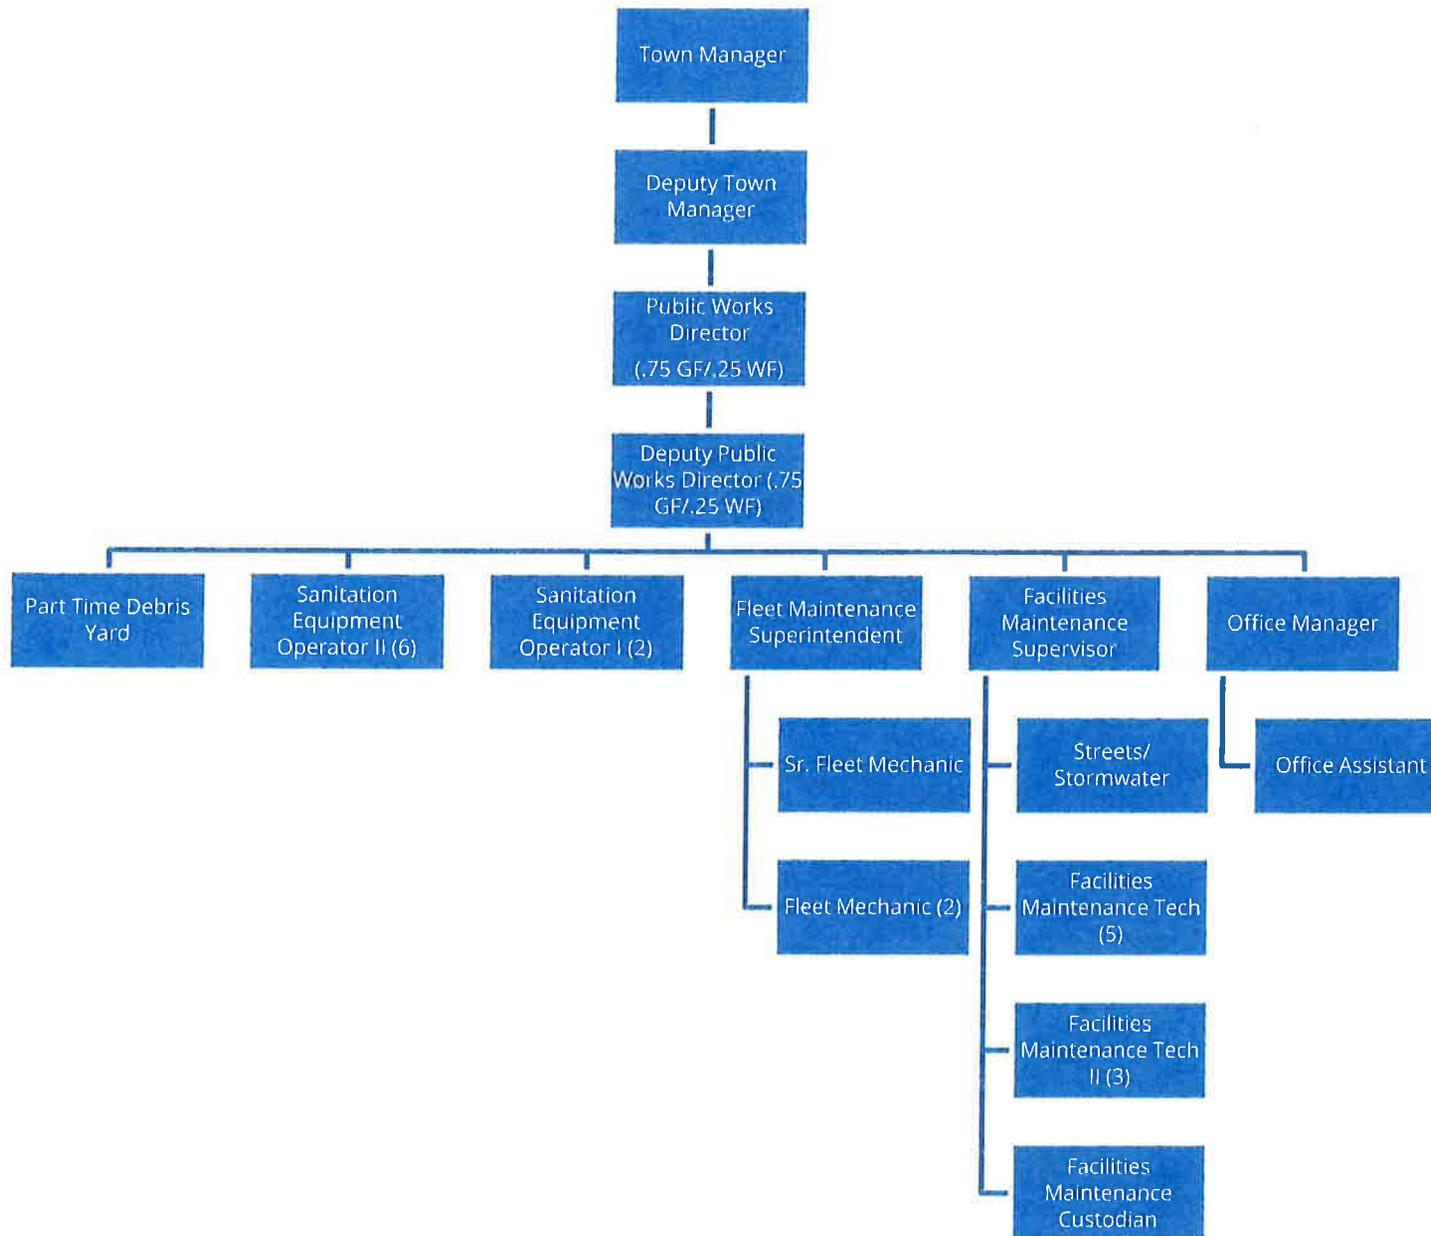

- Continue customer service training and professional staff development.
- Improve workflow effectiveness and implement ways to better serve customers through improved technology.
- Maintain professional presence at the Public Works front desk to greet callers, citizens, and visitors.
- Update policies and procedures to improve the efficiencies of operations.
- Continue to inform citizens, visitors and customers of any changes to the sanitation schedule.

Objective - Maintain certifications, licenses, and training requirements for department staff and utilize professional services to maximize department capabilities within current staffing levels and budget.

Performance Indicators -

- Ensure that all Facilities Maintenance, Maintenance Garage, Water Operations, and Water Distribution certifications are current and that required training hours are complete.

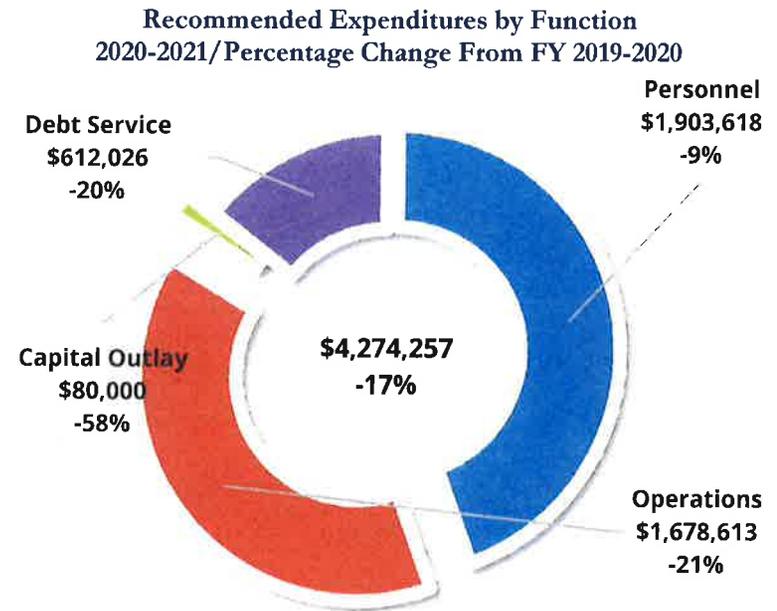

PUBLIC WORKS ORGANIZATION AND STAFFING

PUBLIC WORKS - BUDGET HIGHLIGHTS

HIGHLIGHTS

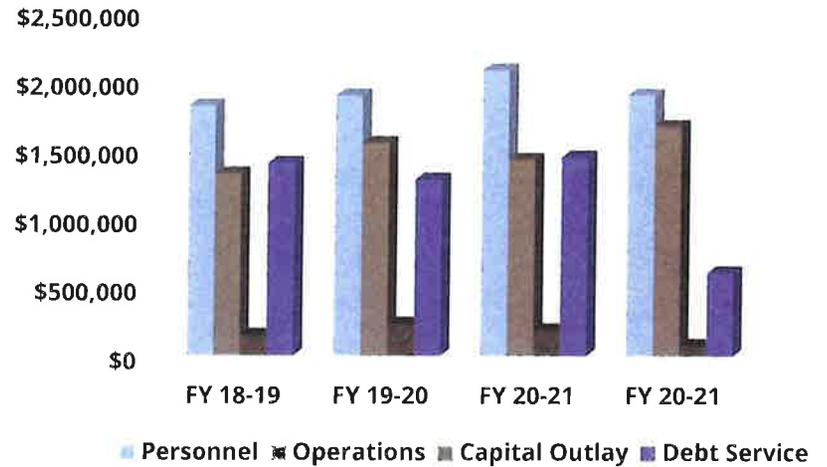

- **Public Works Facilities Maintenance**
 - Replacement of the Huron Street public beach access walkover is included at \$80,000. Full grant funding is being sought with 60% budgeted from the North Carolina Public Beach and Coastal Waterfront Access Program (CAMA) and 40% budgeted from the Outer Banks Visitors Bureau.
 - Annual sand fencing fully funded through a Dare County grant is included at \$24,000.
 - Exterior stucco painting for Fire Station #16 is included at \$42,000.
 - Funding of \$25,000 is included for beach access crosswalk repairs, refurbishments, and maintenance.
 - Maintenance of the multi-use path is funded through the parks and paths capital reserve at \$25,000.
- **Public Works Garage**
 - Fuel prices are calculated and budgeted on average usage for the prior twelve months and are reflected departmentally. For fiscal year 2020-2021, prices are budgeted at \$1.99/gallon for regular unleaded and \$2.19/gallon for diesel.
- **Public Works State Street Aid**
 - The Powell Bill State Street Aid revenue is estimated at \$120,000. This budget includes \$30,500 for maintenance and repairs of allowable State Street Aid projects. The remaining \$89,500 is budgeted towards a contribution to the Streets restricted fund balance. Based on a 20-year paving plan recommended for the Town, those funds will be set aside towards the fiscal year 2021-2022 paving projects to provide an economy of scale and a more streamlined approach in order to combine multiple paving projects.
- **Public Works Sanitation and Solid Waste Collection**
 - Tipping fees are budgeted at \$639,177 for 8,301 residential and commercial tons at \$74.21/ton plus \$2.79/ton for a fuel surcharge for a total of \$77/ton. Construction and demolition tons are budgeted at 535 tons at \$65/ton, totaling \$34,775.

PUBLIC WORKS - BUDGET HIGHLIGHTS

- The contracted residential curbside recycling service has been suspended; funding is still included for recycling collection at Town Hall.
- Contracted services are included for tub grinding vegetation and cart roll back services.
