Item Title: Discussion of FY 2021-2022 Public Beach and Coastal Waterfront Grant Pre-Application for Epstein Street Beach Access; Request for Public Hearing

Item Summary:

The Town was invited to submit a final grant application for the Epstein Street Public Access through the Division of Coastal Management's ("DCM") Public Beach and Coastal Waterfront Access Grant Program. The Town's proposal involves the replacement and upgrade of the existing beach access at Epstein Street that was constructed in 1985. The Town proposes to replace the bath house and dune walkover with a similar walk over but with compliant ADA travel surface type.

The Town was invited to move forward with a final application with \$200,000 in assistance from DCM. As a prerequisite of the final application, the Town is required to hold a public hearing to discuss the grant proposal and consider public comments prior to its decision to submit a final application.
