

## Agenda Item Summary Sheet

Item No: **E-7**  
Meeting Date: **April 3, 2024**

**Item Title:** Consideration to increase Dune Management Cost Share Program

**Item Summary:**

To better assist oceanfront property owners with overall dune management, staff requests an additional \$80,000 funding allocation towards the cost share program which includes dune vegetation, sand fence installation, and ocean sand relocation activities in the upcoming season.

The \$400,000 allocation would allow us to initially approve up to that amount of requests contingent upon reimbursement requirements being met. We are receiving up to seven sand relocation requests a day with three of those also requesting dune management cost share money. Homeowners initially do not have to have paperwork in place when their funding is set aside. Currently the full \$320,000 has been accounted for and we have homeowners on a waitlist. We are requesting to set aside up to \$400,000 as requests come in.
