Nags Head Town Hall, Conference Room

Committee Members Present: Peggy Saporito, Kerry Sanders, Ginny Flowers, Lauren Evans, Leslie Erickson, Director of Planning and Development Michael Zehner and Deputy Planning Director Kelly Wyatt.

Public Present: No members of the public present.

Kelly Wyatt called this meeting to order noting that the primary reason for this meeting is to establish a meeting date and time for the coming year that will accommodate the members schedules as having a quorum is imperative. After much discussion and having each member mark up a draft calendar it was the consensus that the committee meet on the 3rd Friday of each month from 2:45pm – 3:45pm.

The committee requested an update on the Art Mast Project. Staff noted that James Melvin and Taylor Williams had their panels and were working on them. It was determined that after the holiday's staff would re-engage with Rob Snyder about delivering his panel and narrowing down ideas for his painting.

Planning Director Michael Zehner gave the committee a brief update on recent conversations with Sumit Gupta regarding the Dream Center building, he also noted that no additional discussions regarding the Beachcomber Museum and the Glenn Eure Art Gallery had taken place.

With no additional items for discussion the meeting adjourned at 11:40 am.
