

RESOLUTION FOR AQUATIC WEED CONTROL PROGRAM ASSISTANCE

WHEREAS, the Town of Nags Head desires assistance from the North Carolina Division of Water Resources for the implementation of alligatorweed control measures to permit unobstructed drainage flow within the portions of open channel drainage infrastructure in the Town.

NOW, THEREFORE, THE BOARD OF COMMISSIONERS OF THE TOWN OF NAGS HEAD RESOLVES:

- 1) The Board requests that the North Carolina Aquatic Weed Control Program conduct alligatorweed control measures in the portions of open channel drainage infrastructure in the Town of Nags Head.
- 2) The Board assumes full obligation for payment of fifty percent of costs associated with alligator control measure project.
- 3) The Board will assist the North Carolina Department of Environmental Quality in quantifying this aquatic weed control project.
- 4) The Board will assure that the public will have access to the waters that are included in the aquatic weed control project.
- 5) The Board will hold the State harmless from any damages that may result from the implementation of said project.
- 6) The Board will be responsible for notifying all landowners whose property is adjacent to the body of water in which the project is located and for sponsoring any public information meetings that may be needed.
- 7) The Board will notify the public of any temporary restrictions on use of the body of water as required by the specific method of treatment used.

Adopted by the Nags Head Board of Commissioners this the 4th day of October 2017.
