

## Town of Nags Head Residential Sanitation Collection Schedule

The Town of Nags Head's sanitation collection system uses 96-gallon carts and serves all residential family dwellings. Residences currently served by dumpsters will be handled on an individual basis.

Collections is at 3 a.m. in the summer and 5 a.m. in the winter. Please see the map for your collection day.

- To ensure that trash and recycling carts emptied, they must be placed out the day before the scheduled collection service.
- Carts should be placed facing the street.
- Carts must be removed from the edge of the roadway and placed next to a building as soon as possible the same day of collection.
- The Town keeps spare parts for trash and recycling carts including wheels and lids. Contact Public Works at 252.441.1122 for more information.

### Trash/Recycle Cart Placement for Collection
