

**TOWN OF NAGS HEAD FY 18/19
DRAINAGE IMPROVEMENT PROJECT UPDATE**

PROJECT CONSTRUCTION

The following is intended to provide Town of Nags Head residents with a description, schedule and location of proposed construction projects and the potential conditions that may accompany construction activities. The Town of Nags Head will provide periodic construction updates during the course of construction. The following conditions can be expected in the area of construction work:

- Vehicle and pedestrian access may be restricted.
- Customers may be without water for a short duration while work is in progress. Property owners will be notified in advance of any planned service disruptions.
- Town services will continue uninterrupted.
- *Work will typically be conducted from 7:30 am to 5:00 pm.*

PROJECT AREA #1

(UPSTREAM END OF RED DRUM OCEAN OUTFALL)

WORK DESCRIPTION

Replacement of (2) 30" dia. cross street drainage pipes with 32" x 54" reinforced concrete box culvert with 18" dia. cross pipe, drop inlet structures, appurtenances and incidental work.
