

TOWN OF NAGS HEAD FY 18/19
PROJECT CONSTRUCTION UPDATE
August 29 2019

The following is intended to provide Town of Nags Head residents with a description, schedule and location of proposed construction projects and the potential conditions that may accompany construction activities. The following conditions can be expected in the area of construction work:

- A soft start up of the system will occur on Friday, August 30th.
- Town services will continue uninterrupted.
- *Work will typically be conducted from 7:30 am to 5:00 pm.*

PROJECT AREA #2
(NAGS HEAD ACRES/VISTA COLONY SUBDIVISIONS)

WORK DESCRIPTION

Installation of (7) individual groundwater lowering wells with connecting force main, and appurtenances. Construction activities will include open cut trench work, horizontal directional drilling, underground forcemain pipe installation, well construction and incidental work.

UPCOMING WORK SCHEDULE

Week of August 26, 2019—All system components have been installed and electrical service connections established. The system is scheduled to be tested on August 30, 2019. A final walkthrough and system start-up will be conducted the week of Sept. 2, 2019.

EXPECTED WORK CONDITIONS*

Work conditions may include work vehicles and staff in the area during the final walkthrough and system start up.
