From the decision of the Board of Adjustment, recourse shall be had to courts as provided by law.

2.1.2. It is the intent of this Article that the duties of the Board of Commissioners in connection with this UDO shall not include the hearing and deciding on disputed questions that may arise in connection with enforcement, but that the procedure for determining such questions shall be as set out in Section 2.5, Board of Adjustment and Article 3, Part III, Quasi-Judicial Procedures. The duties of the Board of Commissioners in connection with this UDO shall be to render decisions on site plans, conditional use applications, and vested right applications, as well as decisions pertaining to any proposed amendment of this UDO or zoning map as outlined in Article 3, Legislative/Quasi-Judicial Procedures, and Article 4, Development Review Process.

2.1.3. It is the intent of this Article that the Planning Board review, gather information, and make recommendations to the Board of Commissioners on site plans, conditional use applications, and vested right applications as required by Article 3, Legislative/Quasi-Judicial Procedures, and Article 4, Development Review Process. The Planning Board also shall review and make recommendations to the Board of Commissioners concerning any proposed amendment of this UDO or map as required by Section 3.5, UDO Text Amendment/Zoning Map Amendment. The duties of the Planning Board are of an advisory nature to assist the Board of Commissioners in making its determinations.

2.1.4. Any recourse afforded the public seeking relief from a decision of the Board of Commissioners shall not be to the Board of Adjustment, but only to the courts as provided by law.

2.1.5. Recourse to the courts from any decision of the Board of Commissioners shall be in the nature of certiorari. Any petition for review by the Superior Court shall be filed with the Clerk of Superior Court within thirty (30) days after the decision of the Board of Commissioners is made. Any such decision is that which is determined by a majority vote of a quorum of the Board of Commissioners in an open session at which the matter under consideration has appeared on the agenda of the Board of Commissioners.

SECTION 2.2 UDO ADMINISTRATOR.

2.2.1. The Director of Planning and Development shall be designated as the UDO Administrator and shall be responsible for the administration and enforcement of the provisions of this UDO. The UDO Administrator may be provided with the assistance of such other persons as may be directed or authorized by the Town Manager.

ARTICLE 2. ADMINISTRATIVE, LEGISLATIVE, & QUASI-JUDICIAL AUTHORITY

2.2.2. In administering the provisions of this UDO, the UDO Administrator shall:

2.2.2.1. Enforce the provisions of this UDO in accordance with Section 1.10, Violation of UDO Regulations.

2.2.2.2. Make and maintain records of all applications for permits, conditional uses, and requests listed herein, and records of all permits issued or denied, with notations of all special conditions or modifications involved.

2.2.2.3. File and safely keep copies of all plans and permits/applications submitted, and the same shall form a part of the records of the UDO Administrator's office and shall be available for inspection at reasonable times by any interested party.

The UDO Administrator shall order discontinuance of illegal use of land, buildings or structures; inform the Building Inspector of illegal buildings or of additions, alterations, or structural changes thereto which are not compliant with the UDO; order discontinuance of any illegal work being done; or shall take any other action authorized by this UDO to insure compliance with or to prevent violation of its provisions.

With quasi-judicial zoning decisions, board members may not participate in a matter involving someone with whom they have a close family, associational, or business relationship, nor may they participate if they have a bias (defined as fixed opinion that is not susceptible to change upon hearing the facts at the hearing). When a member is disqualified for a conflict of interest, that member must not participate in the hearing in any way, neither asking questions, nor debating, nor voting on the case. If a member states a conflict of interest or if an objection is raised to a member's participation, the remaining members shall by majority vote decide if the member is excused from participation.

Faithful attendance (as defined in the Town of Nags Head Policy on Boards and Committees) at the meetings of the Planning Board is considered a prerequisite for the maintenance of membership on the Planning Board.

2.4.2.2. In addition to the seven (7) regular members of the Planning Board, one (1) member shall be appointed to represent the extraterritorial area of jurisdiction. Such additional member shall be a resident of the County and shall be appointed by the County Board of Commissioners. If the County Board of Commissioners fails to make such appointment within ninety (90) days after receiving a resolution from the Town Board of Commissioners requesting that the appointment be made, the Town Board of Commissioners shall make the appointment. In addition, the Planning Board is empowered to:

2.4.4.1.1. Acquire and maintain in current form such basic information and materials as are necessary to understand past trends, present conditions and forces at work to cause changes in these conditions.

2.4.4.1.2. Prepare and, from time to time, amend and revise a comprehensive and coordinated plan for the physical development of the area. The Comprehensive Plan shall be the Planning Board's recommendations to the Board of Commissioners for the development of the Town including, among other things, the general location, character and extent of streets, bridges, parkways, playgrounds, parks and other public ways, grounds and open spaces; the general location and extent of public utilities and terminals, whether publicly or privately owned or operated, for water, light, sanitation, transportation, communication, power and other purposes; the removal, relocation, widening, narrowing, vacating, abandonment, change of use or extension of any of the foregoing ways, buildings, grounds, open spaces, property, utilities or terminals; and the most desirable pattern of land use within the area.

2.4.4.1.8. Perform any other duties which may lawfully be assigned to it.

2.4.4.2. The Planning Board may perform any of the actions authorized for municipal planning boards by NCGS 160A-370.

2.4.5. Advisory Committees.

2.4.5.1. From time to time, the Board of Commissioners may appoint one (1) or more individuals to assist the Planning Board to carry out its planning responsibilities with respect to a particular subject area. By way of illustration, without limitation, the Board of Commissioners may appoint advisory committees to consider thoroughfare plan(s), bikeway plan(s), housing plans, and economic development plans, etc.

2.4.5.2. Members of such advisory committees shall sit as nonvoting members of the Planning Board when such issues are being considered and lend their talents, energies, and expertise to the Planning Board. However, all formal recommendations to the Board of Commissioners shall be made by the Planning Board.

2.4.5.3. Nothing in this Article shall prevent the Board of Commissioners from establishing independent advisory groups, committees, or boards to make recommendations on any issue directly to the Board of Commissioners.

SECTION 2.5 BOARD OF ADJUSTMENT.

2.5.1. Established.

There is hereby established a board known as the Board of Adjustment, whose jurisdiction shall include the area within the corporate limits of the Town and areas of extraterritorial jurisdiction as the law provides.

2.5.2. Composition; Terms; Vacancies; Attendance of Members; Extraterritorial Member.

2.5.2.1. Board Members. The Board of Adjustment shall have five (5) regular members and four (4) alternates who shall be citizens of the Town appointed by the Board of Commissioners. The term of office for each member and alternate member shall be for a period of three years. Members and alternates serving on the board at the time of the adoption of this UDO shall continue the term to which they are appointed. Vacancies shall be filled for the unexpired term only. Members may be removed for cause by the Board of Commissioners upon written charges and after public hearing.

ARTICLE 2. ADMINISTRATIVE, LEGISLATIVE, & QUASI-JUDICIAL AUTHORITY

2.5.2.2. Compensation. The members of the board may be compensated according to a schedule adopted by the Board of Commissioners.

2.5.2.3. Alternate Membership. Alternate members may serve on the board in the absence or temporary disqualification of any regular member or to fill a vacancy pending appointment of a member. Each alternate member serving on behalf of any regular member has all the powers and duties of a regular member.

2.5.2.4. Extraterritorial Membership. In addition to the five (5) regular members of the board, one (1) member shall be appointed to represent the extraterritorial area of jurisdiction. Such additional member shall be a resident of the County and shall be appointed by the County Board of Commissioners. If the County Board of Commissioners fails to make such appointment within 90 days after receiving a resolution from the Town Board of Commissioners requesting that the appointment be made, the Town Board of Commissioners shall make the appointment. The appointment shall be for a term of three years. The extraterritorial member shall function and vote only with regard to matters within the extraterritorial area and shall not be eligible for office.

2.5.3. Chair; Officers; Records; Meetings; Quorum.

2.5.3.1. At a Board of Commissioners' regular meeting, the Board of Commissioners shall designate one of the members of the board as Chair and another as Vice-chair who shall serve for one year. In the event that the Board of Commissioners does not make such a designation, the Chair and Vice-chair shall continue in their respective offices. In the absence, disqualification or vacancy of the Chair and Vice-chair, the most senior member seated and present shall act as Chair for any meeting until a duly appointed Chair or Vice-chair is available.

2.5.3.2. All meetings of the board shall be held at a regular place and shall be open to the public. The board shall keep minutes of its proceedings, showing the vote of each member upon each question or, if absent or failing to vote, an indication of that fact. Any party may appear in person or be represented by an attorney.

2.5.3.3. A quorum of three (3) members shall be seated and present in order to open a meeting of the board and to take action on non-quasi-judicial matters. In order to take action on a quasi-judicial matter, the board must have a quorum of five (5) members seated and present unless the appellant or applicant consents to moving forward with less than five (5) members. For calculating a quorum to take action on a quasi-judicial matter, the number of members seated and present includes members who were seated at the opening of the meeting that have been disqualified from voting on the particular matter if there are no qualified alternates available to take the place of such members. In the event that a quorum cannot be met due to vacant positions or a lack of qualified members, the board may continue its meeting in order for absent members to become available and, if necessary, for the Board of Commissioners to make appointments filling vacant seats and/or to make appointments of temporary alternate members who can fulfill the board's duties.

ARTICLE 2. ADMINISTRATIVE, LEGISLATIVE, & QUASI-JUDICIAL AUTHORITY

2.5.4. Powers and Duties.

The board shall follow quasi-judicial procedures when deciding appeals and requests for variances. As used in this subsection, the term “decision” includes any final and binding order, requirement, or determination. The board shall hear and decide all matters upon which it is required to pass under any statute or ordinance that regulates land use or development.

2.5.4.1.2. Any other matter the Board is required to act upon by any other Town ordinance.
